

“Service of Technical Intelligence”

TRAINING PROGRAM FOR PLUMBERS

February 15,2020

On behalf of Architecture Consultant, we are pleased to invite plumbers for **“2020 TRAINING PROGRAM FOR PLUMBERS”** on 15 Feb,2020 supported by **Jaquar** at **Architecture Consultant, Gauraj Villa, New Mothorowala Road, Dehradun** from sharp 4 pm onwards.

This training program will provide technical details about plumbing and fitting of sanitary ware to the plumbers and help them to improve their skills.

Architecture Consultant is taking a new initiative of social work in architectural field as a **“Service of Technical intelligence”** in different-different area of work. As per our first program for skill upgradation of people we are first selecting Plumbers to help them to increase their skills. As an architect we see that because of some plumbing and fitting mistakes people face problem of damp and they had to waste a lot money to repair it again. It also affects our health. So, considering these problems of society we offering a technical program with Jaquar for plumbers. It will also helpful for their future work.

The Training program is free of cost and the last date to fill the registration form is 12 Feb,2020. Registration form is attached at the end. Interested plumbers can submit the hard copy of filled form to the office or By mail us to info@architectureconsultant.in or By WhatsApp to **8126328194**.
